

ABISHEK K

B.Tech AI & Data Science | 3rd Year Student | Aspiring Data Scientist
+91-6380404055 | abishek.k.officl@gmail.com | Vangapalayam, Tamil Nadu

PROFESSIONAL SUMMARY

Passionate and motivated AI & Data Science student with strong foundation in programming, data analysis, and machine learning. Actively seeking internship opportunities to apply technical expertise in real-world projects. Quick learner with excellent problem-solving abilities and commitment to continuous skill development.

TECHNICAL SKILLS

Programming Languages: Java, Python, C, SQL

Data Science & ML Libraries: NumPy, Pandas, Scikit-learn, Matplotlib, Seaborn

Tools & Platforms: Jupyter Notebook, Git, VS Code, Microsoft Office, Excel

Core Competencies: Data Analysis, Statistical Modeling, Data Visualization, Problem-Solving

EDUCATION

B.Tech in Artificial Intelligence & Data Science

VSB Engineering College, Karur | 2024–2028 (3rd Year)

CGPA: 8.5/10

Higher Secondary Education (12th Grade)

Government High School | 90%

Secondary Education (10th Grade) | 78%

PROJECTS & ACADEMIC WORK

Data Analysis & Visualization Project (2nd Year)

Technologies: Python, Pandas, Matplotlib, Excel

Analyzed large datasets to identify patterns and trends; created comprehensive visualizations to present findings; developed insights for decision-making

Machine Learning Implementation (Current)

Technologies: Python, Scikit-learn, NumPy, Pandas

Developing machine learning models including classification and regression; implementing data preprocessing and feature engineering; evaluating model performance

CERTIFICATIONS & ACHIEVEMENTS

- Dean's List Recognition - Academic Excellence (Year 1 & 2)
- Python Programming Fundamentals Course (Online Certification)
- Data Analysis with Python (In Progress)
- Active Participant in Hackathons & Coding Competitions

LEADERSHIP & EXTRACURRICULAR

- Member of Coding Club - Actively participated in workshops and collaborative projects
- Volunteer - College Event Organization & Community Development Activities
- Peer Mentor - Helping junior students with programming and coursework

LANGUAGES

- Tamil - Fluent (Native)
- English - Intermediate (Professional)

INTERNSHIP INTERESTS

Actively seeking internship opportunities in Data Science, Data Analytics, Machine Learning, Business Analytics, and AI development. Eager to contribute to real-world projects and gain industry experience while building professional skills.
